**Life Group QUESTIONS - Dec 4.2011**

### **The Great Community: Acts 2:42-47**

- 1. All of us are a “group” project when it comes to becoming a mature disciple. Who are some of the key people God placed in your life to help you grow in Christ? As you pray together in your small group tonight, remember to give the Lord thanks for these special people.**
- 2. Many Christian’s experience of the church is so different from what is described in Acts 2:42 – 47 that they see these verses as merely “pie in the sky” and an “impossibility” to live out. When you look at these verses, do they seem “possible” to you?**
- 3. Have you ever seen a genuine miracle? If you can, share it with the group so that together you can glorify God for His goodness. How did it enhance your faith?**
- 4. How has God used your small group to help you grow in Christ? Share with your group what they could do that would facilitate your spiritual growth even more.**
- 5. Who are some of your friends that need to be part of a healthy small group? Have you ever invited them to yours? Pray for them specifically in your group prayer time, asking God to bless and enlarge your group.**
- 6. Why do you think the early church was held in such high regard by the unsaved community of Jerusalem? What would it take for that to be true here in Shelton?**
